PUN

Molto più di un decoro: Pun è ironia, spensieratezza, originalità. E' il piacere della tradizione riletto in chiave moderna: parole giocose, immediate, che accompagnano, con discreti rilievi tono su tono, forme regolari e linee semplici per restituire nuova vita alla più classica delle piastrelle.

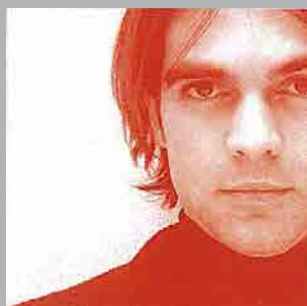

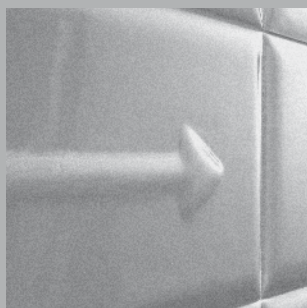

Much more than a decoration: Pun is irony, carefreeness, originality. It's the pleasure of tradition re-interpreted in a modern way: playful, spontaneous words that accompany regular shapes and simple lines with discrete ton-sur-ton relief effects to imbue the most classic of tiles with new life.

Bien plus qu'un décor: Pun c'est l'ironie, l'insouciance, l'originalité. C'est le plaisir de la tradition relue d'un point de vue moderne: des mots joueurs, instantanés, qui accompagnent, avec des reliefs discrets ton sur ton, des formes régulières et simples pour restituer une vie nouvelle au plus classique des carreaux.

Viel mehr als ein Dekor: Pun ist Ironie, Sorglosigkeit, Originalität. Es ist die Freude an der Tradition, die in modernem Schlüssel wiederentdeckt wird: spielerische und direkt verständliche Worte, die regelmäßige Formen und einfache Linien mit unauffälligen, farblich aufeinander abgestimmten Reliefs begleiten um der klassischsten der Fliesen neues Leben zu verleihen.
